Time Deposit Pre-termination

The cost of Documentary Stamp Tax (DST) and a pre-termination penalty will be deducted from the net proceeds of your time deposit.

DST is computed as follows:

PHP 1.50 for every PHP 200.00 of the principal amount.

For time deposits with tenure of less than 1 year, $DST = (\text{Original Tenure in Days} / 365) \times (1.50 / 200) \times \text{Principal Amount}$. 366 for a leap year.

Pre-termination Penalty:

50% of gross interest earned if pre-terminated at the first half of the tenure.

25% of gross interest earned if pre-terminated at the second half of the tenure
